first published in 1995 routledge is an imprint of taylor francis an informa company

pulitzer prize winning author donald m murray s lively and inspiring approach to writing and revision does not condescend but invites students into the writer s studio the anniversary edition includes a new foreword by brock dethier writing program director at utah state university and former university of new hampshire colleague of the late donald murray they met in 1978 and when dethier later became an adjunct instructor at unh struggling to balance his teaching career with his dreams of getting published murray was a source of guidance and support dethier offers not only an introduction to the man behind the book but a retrospective of murray s significant contributions to the composition world and the ways in which the craft of revision helps students to actually do the writing not just talk about it important notice media content referenced within the product description or the product text may not be available in the ebook version

research shows that five strategies correlate with the successful completion of a dissertation establishing a consistent writing routine working with a support group consulting your advisor understanding your committee s expectations setting a realistic and timely schedulebuilding on these insights this book is for anyone who needs help in preparing for organizing planning scheduling and writing the longest sustained writing project they have encountered particularly if he or she is not receiving sufficient guidance about the process but also for anyone looking to boost his or her writing productivity the author uncovers much tacit knowledge provides advice on working with dissertation advisors and committee members presents proven techniques for the prewriting and writing stages of the dissertation sets out a system for keeping on schedule and advocates enlisting peer support as peg boyle single states my goal is quite simple and straightforward for you to experience greater efficiency and enjoyment while writing if you experience anxiety blocking impatience perfectionism or procrastination when you write then this system is for you i want you to be able to complete your writing so that you can move on with the rest of your life few scholars let alone graduate students have been taught habits of writing fluency and productivity the writing skills imparted by this book will not only help the reader through the dissertation writing process but will serve her or him in whatever career she or he embarks on given the paramount importance of written communication especially in the academy this book presents a system of straightforward and proven techniques that are used by productive writers and applies them to the dissertation process in particular it promotes the concept of writing networks whether writing partners or groups to ensure that writing does not become an isolated and tortured process while not hiding the need for persistence and sustained effort this book is intended for graduate students and their advisers in the social sciences the humanities and professional fields it can further serve as a textbook for either informal writing groups led by students or for formal writing seminars offered by departments or graduate colleges the techniques described will help new faculty advice their students more effectively and even achieve greater fluency in their own writing

in this precise and provocative treatise julie jung augments the understanding and teaching of revision by arguing that the process should entail changing attitudes rather than simply changing texts revisionary rhetoric feminist pedagogy and multigenre texts proposes and demonstrates alternative ways of reading writing and teaching that hear silences in such a way as to generate personal pedagogical and professional revisions as both a challenge to prevailing revision pedagogies and an elaboration of contemporary feminist rhetorics the volume encourages students and instructors to examine their identities as scholars of rhetoric and composition and to question how and why revision is taught jung analyzes feminist texts to identify a revisionary rhetoric that is at its core most concerned with creating a space in which to engage productively with issues of difference this synthesis of feminist theory and revision studies yields a pedagogically useful definition of feminist rhetoric through which jung examines the insights afforded by multigenre texts in various related contexts the academic essay the discipline of rhetoric and composition studies feminist composition and the subfields of english studies including rhetoric and composition literature and creative writing jung illustrates how multigenre texts demand innovative methods of inquiry because they do not fit the conventions of any single genre because genre is inextricably tied to the construction of social identity she explains multigenre texts also offer a means for understanding and revising disciplinary identity boldly making a case for the revisionary power of multigenre texts jung retheorizes revision as a process of disrupting textual clarity so that differences can be identified contended with and perhaps understood revisionary rhetoric feminist pedagogy and multigenre texts makes great strides towards defining feminist rhetoric and ascertaining how revision can be theorized not just practiced jung also provides a multigenre epilogue that explores the usefulness of reconceiving revision as a progression towards wholeness rather than perfection

concepts in composition theory and practice in the teaching of writing is designed to foster reflection on how theory impacts practice enabling prospective teachers to develop their own comprehensive and coherent conception of what writing is or should be and to consider how people learn to write this approach allows readers to assume the dual role of both teacher and student as they enter the conversation of the discipline and become familiar with some of the critical issues new to this second edition are up to date primary source readings a focus on collaborative writing practices and collaborative learning additional assignments and classroom activities an emphasis on new media and information literacy and their impact on the teaching of writing these new directions will inform the content of this revision reflecting significant advancements in the field each chapter addresses a particular theoretical concept relevant to classroom teaching and includes activities to help readers establish the connection between theoretical concepts and classroom lessons online resources include overviews classroom handouts exercises a sample syllabus and powerpoint presentations bringing together scholars with expertise in particular areas of composition this text will serve as an effective primer for students and educators in the field of composition theory

research based practical strategies for every teacher this book compiles the advice of experts who not only understand the research behind certain educational practices but also have experience working in elementary classrooms each user friendly chapter focused on a topic vital to elementary educators presents information in a straightforward way to help you learn what works and what doesn't with students today whether you're a new educator or just seeking to build new skills you'll benefit from insight into a handful of innovative topics in instruction including using technology udl co-teaching and assessment novel approaches to classroom management and strategies to engage students useful reproducibles and resources for every topic area

how closely do your students read their writing what are the implications for those who do and those who don't during her work in classrooms literacy coach paula bourque noticed that students who read their own writing closely are engaged in their work write fluently are able to produce lengthy drafts and incorporate teaching points from mini lessons into the day's writing in this comprehensive book paula shows you that no matter what structures or lessons you use in your writing classroom the strategies in close writing will help you make these better by creating student writers who are more aware of what effective writing looks like who care about what they write and who take ownership and responsibility for their growth as writers paula argues that a key element in close writing is learning to look and looking to learn by closely reading our own writing instead of focusing on the mechanics of their writing she encourages students to read their words for understanding clarity and the effect they will have on an audience she urges them to recognize their habits and their approaches to writing and to build upon them close writing is based on research and methods that are reliable and valid best practices but it will not prescribe lessons or structures it gives you a peek inside classrooms where teachers just like you are working with budding authors just like yours paula also provides considerations for all writers as well as a section of interviews with authors she shares an extensive reference resource guide and a companion website with students work samples reproducibles and templates and videos of classroom writing lessons round out this must have resource

pulitzer prize winning author donald m murray takes a lively and inspiring approach to the process of revision

revised and updated this guide to the teaching of composition includes a new section of sources listing journals books and other bibliographic resources

this work promotes the expansion of cultural literacy with the development of process based writing it examines each stage of the writing process emphasizing the recursive and overlapping nature of the stages using many related model activities it shows classroom and prospective teachers how to develop the writing process while expanding the child's knowledge base and providing opportunities for the child to think critically
