now in its fourth edition james l gelvin s award winning account of the conflict between israel and palestine offers a compelling accessible and current introduction for students and general readers the book traces the struggle from the emergence of nationalism among the jews of europe and the arab inhabitants of ottoman palestine through to the present exploring the external pressures and internal logic that have propelled it placing events in palestine within the framework of global history the israel palestine conflict a history skilfully interweaves biographical sketches eyewitness accounts poetry fiction and official documentation into its narrative this updated edition features new material on the fate of the two state solution during the trump netanyahu era alongside an expanded glossary and suggestions for further reading

extensively revised and updated in the wake of the arab uprisings the changes that they fostered and the fault lines that they exposed the fourth edition of the modern middle east explores how the forces associated with global modernity have shaped the social economic cultural and political life in the region over the course of the past 500 years beginning in the sixteenth century this book examines the impact of imperial and imperialist legacies the great nineteenth century transformation cultural continuities and upheavals international diplomacy economic booms and busts and the emergence of and resistance to authoritarian regimes engagingly written drawing from the author s own research and other studies and enriched with maps and photographs original documents and an abundance of supplementary materials this text provides students with fresh insights into the events and debates that have shaped history and absorbed historians

the routledge handbook of the history of the middle east mandates provides an overview of the social political economic and cultural histories of the middle east in the decades between the end of the first world war and the late 1940s when britain and france abandoned their mandates it also situates the history of the mandates in their wider imperial international and global contexts incorporating them into broader narratives of the interwar decades in 27 thematically organised chapters the volume looks

at various aspects of the mandates such as the impact of the first world war and the development of a new state system the impact of the league of nations and international governance differing historical perspectives on the impact of the mandates system techniques and practices of government the political social economic and cultural experiences of the people living in and connected to the mandates this book provides the reader with a guide to both the history of the middle east mandates and their complex relation with the broader structures of imperial and international life it will be a valuable resource for all scholars of this period of middle eastern and world history

winner of the robert h ferrell book prize the idealist is a powerful book gorgeously written and consistently insightful samuel zipp uses the 1942 world tour of wendell willkie to examine american attitudes toward internationalism decolonization and race in the febrile atmosphere of the world s first truly global conflict andrew preston author of sword of the spirit shield of faith a dramatic account of the plane journey undertaken by businessman turned maverick internationalist wendell willkie to rally us allies to the war effort willkie s tour of a planet shrunk by aviation and war inspired him to challenge americans to fight a rising tide of nationalism at home in august 1942 as the threat of fascism swept the world a charismatic republican presidential contender boarded the gulliver at mitchel airfield for a seven week journey around the world wendell willkie covered 31 000 miles as president roosevelt s unofficial envoy he visited the battlefront in north africa with general montgomery debated a frosty de gaulle in beirut almost failed to deliver a letter to stalin in moscow and allowed himself to be seduced by chiang kai shek in china through it all he was struck by the insistent demands for freedom across the world in one world the runaway bestseller he published on his return willkie challenged americans to resist the america first doctrine espoused by the war s domestic opponents and warned of the dangers of narrow nationalism he urged his fellow citizens to end colonialism and embrace equality of opportunity for every race and every nation with his radio broadcasts regularly drawing over 30 million listeners he was able to reach americans directly in their homes his call for a more equitable and interconnected world electrified the nation until he was silenced abruptly by a series of heart attacks in 1944 with his death america lost its most effective globalist the man fdr referred to as private citizen number one at a time when america first is again a rallying cry willkie s message is at once chastening and inspiring a reminder that one world is more than a matter of supply chains and economics and that racism and nationalism have long been intertwined

the conflict between israelis and their forebears on the one hand and palestinians and theirs on the

other has lasted over a century and generated more than its share of commentaries and histories james l gelvin s new account of that conflict offers a compelling accessible and up to the moment introduction for students and general readers beginning in the mid nineteenth century when the inhabitants of ottoman palestine and the jews of eastern europe began to conceive of themselves as members of national communities the book traces the evolution and interaction of these communities from their first encounters through to the present as well as exploring the external pressures and internal logic that has propelled their conflict the book which places events in palestine within the framework of global history skilfully interweaves biographical sketches eyewitness accounts poetry fiction and official documentation into its narrative and includes photographs maps and an abundance of supplementary material

in the aftermath of the collapse of the ussr the american invasion of iraq and the arab uprisings of 2010 11 a new middle east has emerged the syrian civil war has displaced half the country s population and isis and other jihadi groups thrive in the political vacuum there and in iraq setting a new standard for political violence meanwhile regimes in egypt and bahrain have become even more repressive after the uprisings there and libya and yemen have virtually ceased to exist as states the hallmarks of this new middle east are rebellion and repression proxy wars sectarian strife the rise of the islamic state and intraregional polarization international and regional actors stoke the flames with the united states and russia seeking to reposition themselves in the region and saudi arabia and iran vying for supremacy in the long term perils including climate change food and water insecurity and population growth along with bad governance and stagnant economies will determine the destiny of the region in the new middle east what everyone needs to know renowned middle east scholar james l gelvin explains all these developments and more in a concise question and answer format outlining the social political and economic contours of the new middle east he illuminates the current crisis in the region and explores how the region will continue to change in the decades to come
